MAPP (Measure of Academic Proficiency and Progress)

- A measurement of your general education skills.
- You take it once this fall, and then again the semester you graduate.
- This allows Southeast to gauge the general education skills you have gained as a student at Southeast.
- It does NOT affect your GPA, your record, or your eligibility for graduation!
- MAPP is a 2-hour multiple choice test taken on a computer.

In First Step

- You signed up for the MAPP test by enrolling in MX001.
- You will be notified and reminded on how to register for the test via email, during opening week activities, and in UI100.
- MX001 is no cost, no credit, and not graded.
- MX001 is not connected to any other class.

In Fall

- During the fall semester, you will sign up for a MAPP test time through the Testing Services web site.
- The MAPP Test will be offered throughout the month of September.
- You must take the MAPP test in the fall.
- You will take MAPP at a computer in a computer classroom.
- If you do not take the test, you will have a hold placed on your record and will NOT be able to register for spring classes until you complete the test.
- You must register for a particular test date and time to take the MAPP exam. There are a limited number of computers available during each test option. Please register early to receive best test date and time options.
- For the available list of test dates and times and to register for the exam, please go to the following web site:
  https://www3.semo.edu/TestSvc/MAPP/index.asp
- You will need to submit your Southeast Key and password before the registration page will appear.
- Please write down your testing date, time and location.
- You will receive an email reminder.
- Please be sure to show up for test date/time.
- If you have any questions or changes to your test date/time, please contact Testing Services at 573-651-2836 (http://www.semo.edu/testing).
